

## Buy Total Cure with NO CASH!

SPDI's Solutions financing program is ideal for businesses that want to OWN the equipment after the lease term ends.

With our program, you (the lessee) claim ownership of the asset for tax purposes, although the funding source is the actual owner. This program lets you claim depreciation and interest expense deductions.

### Preserve working capital and let your money work for you.

With our program.....

The full cost of the equipment can be rolled into the monthly payments leaving no residual payment at the end of finance term.

Lessee can claim depreciation and interest expense deduction for tax purposes.

Low initial payment

At the end of the lease term, customer purchases equipment for \$1
